

## Introducing The **NEW CeraPlus** Skin Barrier

Visit [vimeo.com/hollisterostomy](https://vimeo.com/hollisterostomy)  
to hear CeraPlus user and  
nurse stories.

## Everyone deserves healthy skin around their stoma

Around 50% of people with a stoma report  
skin issues around their stoma in their lifetime<sup>1</sup>.  
At Hollister we believe everyone deserves  
healthy skin from the start.

The **CeraPlus™** skin barrier is **infused with ceramide**  
to help keep moisture in and protect against dryness. Ceramide  
is a natural component of all human skin and helps links cells of  
the outer skin together to form a waterproof, protective barrier.

Available  
now on SAS  
(one piece from  
1st Dec)
